DRONE GENIUS (8-13 YRS): Experience the thrill of flight in the New Year Holiday Drone program. Learn the exciting and TECHNICAL world of drones including coding, flight plans, mapping and using drone software. Pro drone will capture and upload videos for all to see and enjoy! Tu-Fr, Jan 2-5, 9am-12pm \$185 MEMBER / \$205 NON-MEMBER

SPARRING WORKSHOP(6-14 YRS): Sparring is an integral part of Taekwondo. Unlike Kickboxing and MMA, Taekwondo sparring is a competitive Olympic sport. Coach Will has designed this program so students can attend the 4 day camp or individual 1 day workshops. Each day students will spar with the different rules of Taekwondo, karate and open point fighting and learn important sparring techniques like proper blocking, evasive maneuvers and effective attack and defense sequences. Additionally, students are paired up and given time to free-spar under the guidance of the instructor. By sparring with multiple partners, students get a feel for competition fighting.

January 2-5,(Tuesday-Friday) 1pm-5pm

4 DAY WORKSHOP: \$160 MEMBERS / \$180 NON-MEMBERS

Sign up per day: \$45 MEMBER / \$50 NON-MEMBER

BUILDING RESILIENCE FOR TWEENS(8-13 YRS) Resilience helps navigate through challenges students may face such as bullying, divorce, school drama's, family illness and other challenges. Students recognize these challenges and are given tools to understand them and use them towards growth opportunities. Jan 3 – 10am-1:30pm \$55 MEMBER / \$65 NON-MEMBER

SPARRING TOURNAMENT: Saturday, Jan 6-12pm-3pm \$25/person
