**Baylor Scott & White Medical Center – Lakeway Honored as Business of the Year 2017 by Lake Travis Chamber of Commerce**

*The hospital has expanded services since its purchase a year ago*

**AUSTIN, Texas (December 14, 2017)** – Baylor Scott & White Medical Center – Lakeway was recently named Business of the Year 2017 by the Lake Travis Chamber of Commerce. Baylor Scott & White won the award this year, the first year it was nominated. The chamber announced the winner at its 2017 Outstanding Achievements Award Luncheon Wednesday, Dec. 13.

“Baylor Scott & White is honored to serve this community by bringing a variety of resources and will continue to invest in its health and well-being,” said Philippe Bochaton, president, Baylor Scott & White Medical Center – Lakeway. “Being named Business of the Year is a tribute to the bond we have built with Lake Travis residents. It demonstrates the confidence they have in us to care for them, and we are truly grateful for their support.”

Since Baylor Scott & White Health acquired the hospital over a year ago, it has increased clinical programs and services, incorporated new medical technologies, recruited talented and board-certified physicians and created new primary care clinics throughout the community.

Baylor Scott & White– Lakeway is a fully accredited, 106-bed acute care hospital serving the residents of Lakeway, Bee Cave, Westlake and the broader Hill Country region. The hospital sees patients from across the Central Texas region, providing advanced medical services for brain and spine conditions, stroke, cardiology, orthopedics, urology, women’s health, endocrinology, oncology, diagnostic imaging, intensive and emergency care. Focused on being the best

place to give and receive safe, quality and compassionate health care, the hospital offers comprehensive services. The hospital is a Primary Stroke Center and a Level IV Trauma Center.

### **About Baylor Scott & White Health**

Formed from the 2013 merger between Baylor Health Care System and Scott & White Healthcare, the system referred to as Baylor Scott & White Health is the largest not-for-profit health care system in the state of Texas. With total assets of \$10.8 billion\* and serving a population larger than the state of Georgia, Baylor Scott & White Health has the vision and resources to provide its patients continued quality care while creating a model system for a dramatically changing health care environment. The system now includes 48 hospitals, more than 1,000 access points, 5,500 active physicians, and 44,000 employees, plus the Scott & White Health Plan, Baylor Scott & White Research Institute and Baylor Scott & White Quality Alliance — a network of clinical providers and facilities focused on improving quality, managing the health of patient populations, and reducing the overall cost of care.
